## Ag Service Technician **Career Interest Assessment Quiz**

**Instructions:** Rate how much you agree with each of these statements by checking the box in the appropriate column that best reflects your reaction **Definitely**, **Sometimes** or **Never**:

Question:	Definitely	Sometimes	Never
1. I enjoy working with people.			
2. I feel good when I can solve problems and fix things.			
3. I enjoy working with my hands.			
4. I'm detail oriented and don't mind keeping meticulous notes of my work.			
5. I like to help out around my household fixing things, tinkering with mechanical equipment or electronics. I enjoy figuring out how things work.			
6. I'm motivated by work that helps others.			
7. I understand the importance of keeping a farm running, especially during harvest season.			
8. I love getting my hands dirty, but also enjoy troubleshooting problems.			
9. I have a lot of experience with handtools, including precision instruments and power tools.			
10. I'm good with technology and computers.			

**Scoring:** Count the number of *Definitely's*, *Sometimes's*, and *Never's*.

**Score:** \_\_\_\_\_ **Outcome:** \_\_\_\_\_

**7 or more Definitely's**..... You may be perfect for a career as a service technician! Talk to your teacher or guidance counselor about this promising career option.

**4-6 Definitely's**..... You may be a good fit – explore this career option more, but focus on where you scored Sometimes or Never. If any of these are dealbreakers for you, you may want to consider other career options!

**0-3 Definitely's**..... You may not be a good match. Think about where you answered Sometimes or Never, and think about how those preferences will influence your career choices.
